We provide the sound system for all outside events when necessary. We provide the training and information that participants can take with them and apply to their life and to their horse. No limit on the distance we will travel to help others. You provide the horses, the facility, and the participants. We provide our services for a donation unless we travel outside of our county, then you provide reimbursement for travel expenses.

**Eph 2:8-10** For it is by grace you have been saved, through faith - and this not from yourselves, it is the gift of God - not by works, so that no one can boast.

**For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.**

Skipper Calder is an ordained Minister of the Gospel of Jesus Christ. Every Sunday he delivers a Biblical message using horse training techniques to illustrate God's Word to people who either love

horses, love being outside or just love Jesus. Biblical principles relate very well to the natural horsemanship training he uses on problem horses. The horses are provided by people who are having problems with loading, backing up, leading, lounging, stopping, pulling back when tied, won't stand still, kicks, disrespectful, etc. These problem horses are brought in by appointment only.

You are invited to join us on Sunday mornings at 9:45am for coffee and donuts. Horse training/preaching/teaching starts at **10:00am**. Bring your favorite **lawnchair** and enjoy the fresh morning air in an oak hammock at:
